

Discover Digital with Leeds Libraries

There are hundreds of computer learning sessions every month in Leeds Libraries.

We can show you how to:

- Use a mouse and keyboard
- Sign up for an email account
- Download library eBooks and eMagazines
- Use council or government services
- Use the internet to help you follow your interests
- Get creative with Raspberry Pi, Minecraft and coding and much more!

To see the full range of sessions, ask for a copy of our Discover Digital booklet.

For more information call **0113 378 5005**
