

£500 Mutual

Exchange Incentive Scheme

You could receive £500 and live in the property and the area you have always wanted to!

If you are a Leeds City Council tenant and you are under occupying or overcrowded in your property, or in priority Bands A or B, you may receive £500* if you exchange your home with another Council tenant.

Leeds City Council tenants who are not under occupying, overcrowded or in Band A/B can still exchange with other Leeds City Council tenants but will not qualify for the £500 incentive. Exchanges with tenants outside of Leeds or with Housing Association tenants do not qualify under the scheme.

To register on our mutual exchange scheme please log on to our website at www.leedshomes.org.uk and click on the link 'Mutual Exchange'. Alternatively you can log on direct at www.leedshomes.houseexchange.org.uk

Please note that funds are limited and payments will be made on a first come first served basis.

**Incentive payment can only be claimed once per tenancy. If you exchange again you will not be entitled to the payment.*
