

Calling All Council and Housing Association Tenants!!

Have you ever thought about a mutual exchange with another social landlord tenant? It could be a quick and easy way for you to move from your current home rather than waiting for a vacant property to be offered to you.

Our aim is to support mutual exchanges and make it easier for social housing tenants to move properties. This will help reduce the number of customers waiting on the housing register and make best use of housing stock.

House Exchange is a FREE service for Leeds City Council and Housing Association tenants wanting to move to a different property by swapping homes with another Leeds City Council or Housing Association tenant. You can search the website to find properties that match your requirements, either on your home computer, a family member/friends computer or any public access computer such as your local library. If you do not have access to the internet and you are a Leeds City Council tenant please contact your local housing office for assistance or call our helpline on:

0845 2345 696

For more information or to register for a mutual exchange, please log on to

www.leedshomes.houseexchange.org.uk

or call 0845 2345 696

* Please note not all Housing Associations are registered with House Exchange so charges may apply.
