The New Build Lettings Policy will apply to these homes which means, preference will be given to applicants in the following order:

1. Leeds City Council tenants living in the ward,
2. Local Connection to the ward area by means of living in, working in or having close family living in the ward,
3. All applicants.

All applicants will need to demonstrate an excellent tenancy record. We will consider an applicant's rent payment history, issues of anti-social behaviour and overall tenancy record. References will be requested from Housing Associations or private Landlords. (5 years history will be considered).

All properties are suitable for applicants with mobility needs and may be adaptable to meet individual requirements.

Occupation of these homes will commence from Summer 2022 onwards although unforeseen delays in the build programme may affect the estimated handover.
